

AAEA is proud to announce the creation of our Federal and State Political Action Committees (PAC). A PAC is simply one more tool in our toolbox that enables us to financially support our lawmakers who act as champions for our industry.

Our engagement on this front is more important now than ever as we work to maintain long-term, stable policies that allow for the continued adoption of advanced energy technologies.

CONTRIBUTOR INFORMATION

Each contributor must provide name, address, employer, and occupation.

FIRST MIDDLE LAST

ADDRESS

CITY STATE ZIP

HOME PHONE WORK PHONE

OCCUPATION EMPLOYER

CHECK IF SELF-EMPLOYED

DONATION INFORMATION

I would like to support Arkansas Advanced Energy PAC with a one-time donation of:

- \$1,000 \$2,500
 \$5,000 OTHER _____

Contributions may not exceed \$5,000 per calendar year.

Please make checks payable to
Arkansas Advanced Energy Association PAC

Checks may be mailed to:
411 S Victory St., #201
Little Rock, AR 72201

As a reminder, the General Assembly will convene in Little Rock in just a few short months and will be considering regulations that affect our entire industry. Your contribution to the PAC is vital to the continued success of advanced energy. As we strategize plans that are conducive to our momentous growth, this development is our next step in that progression.
